

Boil Water Rescind Notice

On Wednesday, February 17, 2021, the Texas Commission on Environmental Quality (TCEQ) required our public water system MacBee Special Utility District, PWS ID #2340012 to issue a Boil Water Notice (BWN) to inform our customers that due to the presence of contaminants or an interruption in service, water from our system must be boiled prior to consumption.

Our system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and/or bacteriological quality and has provided TCEQ with testing results that indicate that the water no longer requires boiling as of Wednesday, February 24, 2021.

If you have questions, contact General Manager Johns Simmons, Office Personnel Rhonda Terry or Vonda Farthing @ 903-873-2109.

If a customer wishes to reach TCEQ, they may call 512-239-4691.
